Concrètement, avec la mise en place de la nouvelle réglementation européenne, appelée

Verification of Payee (VOP), les banques devront vérifier, lors de chaque virement, si le nom du bénéficiaire et son IBAN (numéro de compte bancaire) correspondent bien aux informations enregistrées. Cette mesure vise à réduire les risques de fraude liés à des manipulations de RIB ou à des usurpations d'identité.

UWV : social security fraud BY UWV

people do not get the right amount, are totally forgotten and ignored,
UWV (before GAK) has always been a-not-service-for-Dutch-Citizens IN and OUTSIDE

UWV is creating endless abusive legal affairs, which is NOT-UCC-CONFORM.

UWV does not respect ART 41 europe and is guilty of crossbordercrime, confirmed by the European Commission.

The Netherlands and its NOT UCC CONFORM ASN BANKING problem.

Loudly applauding for himself :

<https://corporate.asnbank.nl/assets/files/jaarcijfers/Press-release-Interim-Results-2025-ASN-Bank.pdf?v=1754630672>

THE ASN CEO does not care about people.

Nothing has changed yet in their mentality : they distrust people, their clients voluntary.

It's about the criminal re organisation of the VOLKSBANK (BLGWONEN - ASN - REGIOBANK - SNS) : no deontology, no ethics, no empathie, no ...

the deciders are NOT UCC CONFORM and should go.

Thanks for reading.

SOS ALERT FRAUDE ASN BANK THE NETHERLANDS ALERT SOS

Een bericht voor alle betrokken inwoners van Nederland :

Op basis van de forcloser OPPT 2013 > UCC 2025 geldig wereldwijd, verzoek ik persoonlijk

de actuele directeur van ASN.NL (volksbank - blgwonen/bijzonderbeheer - regiobank - sns)
> <https://www.dnb.nl/en/public-register/information-detail/?registerCode=WFTDG&relationNumber=B0578> <

onmiddellijk te stoppen met illegale uitzettingen, illegale executies via veilingen, onderhandse biedingen en alle overige gelieerde niet UCC CONFORME activiteiten via niet UCC CONFORME deurwaarders en notarissen, met betrekking tot huurders, verhuurders, eigenaren en makelaars.

U respecteert de Nederlandse Grondwet niet en houdt zich bezig met illegale activiteiten.

Ik verzoek u uzelf te melden bij het OPENBAAR MIINISTERIE VAN JUSTITIE in Nederland zodat ALLE inwoners van Nederland bescherming krijgen, want niemand verdient dit soort erg foute behandeling.

Alleen de ONAFHANKELIJK, CONSTITUTIONELE RECHTER die UCC CONFORM werkt sinds 2013 bepaalt via de EXECUTIVE ORDER 13818 of mensen - huurders - eigenaren mogen worden uitgezet uit hun woning.

Voor geen enkele uitzetting bezit u een constitutioneel rechtsbevel van de rechter.

De ASN BANK en 'partners' staan NIET boven de grondwet.

Ik verzoek u tevens uw functie als directeur van ASN.NL te verlaten met ingang van nu.

Free circulation in EUROPE ?

It's a fairytale !

And does not exist.

Do you know ART 41 - europe ?

Free circulation between European countries does not exist because too many make ADMIN mistakes and the result is that EUROPEAN FREE MOVING PEOPLE speaking more languages end up in misery.

All has to be FLUID >

1. STOP abusive legal affairs, start 'settlements' for all not resolved cases #transparency #gdpr.

2. before moving to another country the ART 41- EUROPE must be UCC conform.

3. end-controlled by the tax-services.

4. the end-crolled ART 41 EUROPE doc must be handed over to the ADMIN in the country where you decide to live.

5. random = 360° doing GOOD, in everything.

End.

Taxfraud:

Yesterday I got the info that some DUTCH companies still make B2B invoices to other EUROPEAN country with TAX.

If you as a European company sell within Europe to another company in another European country then you do not add tax in the invoice.

I told the person to report to >

Still too many 'fakebizsppl' do harm to others which is not UCC conform. They put others life in danger !!!

BE PRAGMATIC & PREVENTIF : ask your personal financial institution including your tax service to CHECK out if the money is 'ok'.

'if I send a message to F, then I like to receive an answer from F, not from B'.

OPPT 2013 > UCC 2025 >

EVERYONE is responsible for its own actions.

No one can hide behind someone else anymore.

If you do so, you commit insurance fraud, as since 2013 your own insurance is responsible for everything, even if you did nothing wrong.

But that is the way to detect the wrong 'actors', in need to be re-educated so they do not harm anymore

Everyone got 3 chances.

In this example, B responding for F.

Feel free to add a comment or ask questions.

Thank you.
